

IFS

SUCCESS™

The scalable business success framework that provides choice

IFS

MAP THE PATH TO EXCELLENCE WITH A SCALABLE BUSINESS SUCCESS FRAMEWORK AND REALIZE VALUE

Change is a reality for any business. As an enterprise with an ever-developing set of business transformation priorities you need capability, assured performance, accountability and control.

IFS Success™ provides a continuous engagement to address evolving business needs at each stage of the lifecycle.

IFS CUSTOMER SUCCESS

IFS enterprise software offers the opportunity to transform the way you develop, position and market your business.

Bringing together proven tools, methodologies and engagement activities, the IFS Customer Success program proactively identifies business growth and opportunity areas, constantly refining your IFS solution to ensure maximum relevance and lifetime value.

Accelerate your solution implementation, assure delivery and fully maximize commercial value throughout the system lifetime with consulting services and components to suit your needs.

HOW IT WORKS

A long-term subscription secures access to service components backed by the tools and best-practice methodologies available within IFS.

Core elements available include:

- Quantify and plan value engineering
- Application management by IFS experts on-demand
- Project safeguarding for self-managed and partner-led projects
